Goals

• Discuss Target Audience
• Promoting learning communities
• Recruitment
• Advising and Admissions
• Resources needed
Purpose of A Learning Community

- Sharing & Collaborating
- Reflecting & Articulating
- Listening & Responding
- Connecting & Creating
Launching a successful learning community
Recruitment
Advising and Admissions
Resources
Your turn

At your table groups:

1. Discuss policies that need revisiting in order to implement learning communities
2. Discuss key people who will be instrumental in the development of learning communities
3. Discuss campus resources that you will need to successfully launch your communities
