AVID for Higher Education

System Components:

AVID Elementary
AVID Elective

AVID School wide
AVID for Higher Education
Teacher Preparation Initiative

AVID for Higher Education
Empowering Every Student's Potential
Having teachers and professors sit alongside each other and vertically align the skills that students need to be successful has been such a powerful learning experience.

Dianne Mata, Ector County ISD
Essential 1: Administrative Leadership & Support

Essential 2: AVID Teacher Preparation Initiative Campus Team

Essential 3: Faculty and Staff Professional Learning

Essential 4: AVID Experience: Impacting Teacher Preparation

Essential 5: Assessment and Research
Teacher Preparation Initiative

AVID
- frameworks
- methodologies
- strategies

- education courses
- content area courses
- teacher candidates’ field experiences
AVID Teacher Preparation Initiative

- structure
- support
- planning
- professional development
AVID Teacher Preparation Initiative

Teacher Preparation Initiative Campus Planning Team

Establishes campus goals and objectives in alignment with AVID’s mission and AHE/TPI Essentials
AVID Teacher Preparation Initiative

Professional Development and Planning Days:

- four professional development and four planning days each year
- focused on faculty/staff needs for embedding AVID frameworks and methodologies
• TPI Campus Teams meet during Site Team scheduled times

• University faculties, staff and administration attend secondary and elementary strands
Framework

Writing to Learn
Inquiry
Collaboration
Organization
Reading to Learn
Faculty/staff with the support of AVID TPI personnel develop an implementation matrix/map for embedding AVID into education and related content courses.
### AVID TPI

#### Instructional Mapping Matrices
